**Stations of the Cross:**  
Friday's during Lent as a school we participate in the stations of the cross. If you are available, please join us.

## *Monthly* FOCUS

- Graphs, data and analyzing data will be our focus along with an introduction to fractions this month in 2<sup>nd</sup> grade.
- Preparation for First Reconciliation is what we are discussing in Religion class, along with the importance of growing during our Lenten journeys.
- Staying healthy by practicing good hygiene and practices to prevent spreading germs.
- We will be starting a new unit in Science, Animals and Ecosystems. This comes at a wonderful time as we prepare to hatch baby chicks very soon!
